

Scholarships and Bursaries

at Vancouver Tap Dance Society

Introduction

Vancouver Tap Dance Society recognizes that there is a need to provide bursary funding for students that may have a financial need. In addition, VanTap has established the Sas Selfjord Scholarship Fund. This policy is intended to describe VanTap's application and acceptance processes.

Policy - Bursary Awards

Each year the VanTap offers full and partial bursary to offset fees in our Academy programming. The criteria for a bursary are as follows:

1. There is a financial need.
2. The student is committed to the program and will attend classes on a regular basis.
3. The Executive and Artistic Director or Academy Manager recommends the student for support.

The bursary only covers class tuition and does not include the costs of costume fees, competition fees, rental fees, shoe rentals, festival tuition, or any other costs incurred by enrollment in any of the Academy's programs.
